MAYOR

January 19, 2012

Dear Friends:

On behalf of the City of Albany, thank you for your contributions to the 3rd *Annual Wine and Dine for the Arts Festival*, held at Hotel Albany on January 13th and 14th. Patronage was better than ever, and with the generous support of the many sponsors and attendees, this year's event was a tremendous success. The money raised from this festival will fund vital arts programs and projects in our Capital City.

I applaud the participating chefs and wineries for their world-class displays and creations. The wide range of culinary offerings is one of the unique components that helps make Albany such an interesting and exciting "All-America City." Thank you again for your support, and I look forward to seeing you at next year's event.

Sincerely,

Gerald D. Jennings
Mayor, City of Albany
